9	Railway Traction Supply for all areas	-	1800

Provided that the Below Poverty Line (BPL) beneficiaries in the State for supply of electricity to them, for residential or domestic usage,

shall pay the initial security deposit equal to “one half” (or “50%”) of the respective rate of initial security deposit, specified in the Table under sub regulation (2) :

Provided further that in cases where the applicant may wish to build up the load in phases but requests for sanction of total contract demand in advance so as to avoid the need for completing the formalities for repeated extensions of load and also to facilitate supply arrangements for the total demand envisaged for the ultimate scenario, the initial security deposit shall be payable in such phases in which he wishes to build up load subject to the permissible time limit of maximum 26 months in accordance with para 3.9 of Himachal Pradesh Electricity Supply Code, 2009.

Explanation.-For the purpose of this regulation,-

- (a) “Remote, Difficult and Hard Areas” means the areas which are declared as remote, difficult and hard areas by the State Government from time to time.
- (b) “Rural Areas” means the areas which are not the urban areas.
- (c) “Tribal Areas” means such areas as may, by order, be declared to be Scheduled Areas under Part-C of the Fifth Schedule to the Constitution of India.
- (d) “Urban Areas” mean the areas covered under a Municipal Corporation, Municipal Council or a Nagar Panchayat set up by the State Government under any law enacted by the State Legislative Assembly and shall also include the area falling under the Cantonment Board constituted by the Central Government under the Cantonment Act, 2006.
- (e) “Below Poverty Line (BPL) beneficiary” means the person belonging to very poor category of persons below poverty line, declared as such, by general or special order, by Central/State Government, from time to time.; and

- (iii) for sub-regulation (3), the following shall be substituted, namely :-
- “(3) The rates of initial security deposit as per sub-regulation (2) of this regulation shall be enhanced by 5% every three years. The rate applicable for the respective categories in the month immediately preceding the date of such enhancement, shall be enhanced by 5% and rounded off to the nearest Rs. 10 per kW or kVA, as the case may be (by ignoring the fraction of 0.5 or less). The distribution licensee shall circulate such new rates to its field units by 30th June of the year 2024 and every three years thereafter for implementation by the field units from 1st August of the year 2024 and every three years thereafter.”

5. Amendment of regulation 6.-

In regulation 6 of the said regulations:-

- (I) under sub-regulation (1) **‘General Review’**-
- (i) for the words “already recovered from him”, the words, sign, brackets and figure “,or demanded under sub-regulation (2) of this regulation from him,” shall be substituted;
- (ii) the following shall be inserted as its first and second provisos, namely :-

“Provided that the annual review in the financial year 2021-22 shall be carried out on 1st December, 2021 (instead of July 2021 or soon thereafter) based on the average monthly bill for the twelve billing months immediately preceding the date of such review :

Provided further that in case of connections released after 1st August, 2021, the first review shall be made, on the basis of average monthly bill based on the bills raised till such date of review, on the first day of the quarter immediately succeeding the quarter in which the period of

six months, starting from the date of connection, expires:”;
and

(iii) in the existing first proviso, for the words “Provided that”, the words “Provided further that” shall be substituted.

(II) For the existing second and third provisos to clause (a) of sub-regulation (2), the following provisos shall be substituted, namely :-

“Provided further that, save as provided in the fourth proviso to this clause, the amount of such demand of additional security deposit shall be payable in four equal quarterly installments and first such installment shall be payable within 60 days from the date on which demand is raised :

Provided further that the amount so payable in quarterly installments in relation to a review shall be payable, independent of the next review, and as such the additional security deposit, if any, already demanded but not recovered shall also be taken into account, in addition to the security deposit/additional security already recovered, while determining the amount recoverable under the next review:”

6. Amendment of regulation 8.-

In sub-regulation (2) :-

(a) for the words, figure and sign “apportioned against the security deposit for the balance connected load/contract demand, as the case may be, worked out at the rates of initial security deposit as applicable for FY 2020-21 or any subsequent period encompassing the effective date of such reduction and the balance amount of security deposit already recovered, if any,”, the words, figure and sign “apportioned, on pro rata basis (i.e. on per kW / kVA basis of the sanctioned connected load / contract demand), against the

security deposit for the connected load/contract demand, so reduced and the same” shall be substituted ;

- (b) at the end of the para , the following new first proviso shall be inserted namely, :-

“Provided that the amount of security deposit to be retained for the balance connected load / contract demand shall, in no case, be less than the amount worked out, at the rates of initial security deposit applicable on the effective date of such reduction or the same worked out on pro rata basis (per kW or per kVA as the case may be), for (n+1.0) months based on the average monthly bill in relation to the twelve billing months immediately preceding the effective date of such reduction, whichever is higher.”; and

- (c) for existing first proviso, for the words “Provided that”, the words, “Provided further that” shall be substituted.

By order of the Commission

-sd-

Secretary
